# PROFESSIONAL DEVELOPMENT & CONTINUING EDUCATION 631-451-4114

#### CONTINUING EDUCATION REGISTRATION INFORMATION

- Please print clearly, except for signature.
- List the course number, CRN, and title of the course for which you are registering.
- 3
- Sign the Declaration of Residence. If the statement does not apply to you, contact the Cashier's Office at: Eastern Campus 631-548-2545 Ammerman Campus 631-451-4086 Michael J. Grant Campus 631-851-6730
- Vou must include a check or money order, made payable to Suffolk County Community College, for the tuition payment. Cash will not be accepted.
- Submit the completed registration form and payment by mail or in person to the Registrar's Office at the campus to which you are applying for a course.
- If you wish to register and pay online, please visit the College website at sunysuffolk.edu. New students must follow the new, non-degree student application procedure before registering. Use 6. this form only if you have never attended or applied to SCCC, and you wish to take continuing education classes without being admitted to a degree program. Please allow one business day for this application to be processed prior to registering. Entering your email address will result in immediate confirmation of your application once you submit it. Prior applicants can register immediately online.
- Please note the room assigned ON YOUR SCHEDULE as it may be different than that which is listed in this brochure.

#### **GENERAL INFORMATION**

#### COURSE LOCATIONS

Ammerman Campus • 533 College Road • Selden, New York 11784 Eastern Campus • 121 Speonk-Riverhead Road • Riverhead, New York 11901 Michael J. Grant Campus • Crooked Hill Road • Brentwood, New York 11717 Sally Ann Slacke Center • Michael J. Grant Campus • Crooked Hill Road • Brentwood, New York 11717 Culinary Arts and Hospitality Center • 20 Main Street • Riverhead, New York 11901 Sayville Downtown Center • 30 Greene Avenue • Sayville, New York 11782

#### CLASS CANCELLATION AND REFUND POLICY

If a course should be canceled due to insufficient enrollment, you will be notified by the Registrar's Office and you will have a check issued as promptly as possible. Full tuition refunds will be automatically issued to students who officially withdraw/drop up to one (1) day prior to the first class meeting. For all courses that meet more than once but are shorter than the full semester, an official withdrawal prior to the second class meeting will result in a 50% refund of tuition. Please visit sunysuffolk.edu/ContinuingEd for additional information.

#### ADMITTANCE TO CLASS

Since all courses are enrolled on a first-come, first-served basis, we encourage you to apply early. Students will be mailed a receipt within two weeks of registration. If you do not receive this, please call the Registrar's Office at the campus for which you are registering. You do not need any special card or receipt to be admitted to class. Instructors are provided with class lists with the names of those of flicially registered. You will not be admitted to class unless your name is on a class list and you have paid your tuition and applicable fees. Once again, please make note of the room in which your class is meeting, as noted ON YOUR SCHEDULE. That is the room to which you should report for class. It may be different than that which is noted in the brochure.

#### RETURNED CHECK CHARGE

A fee of \$30.00 will be charged for any check that is returned to the College for any reason. NOTE: THE COLLEGE RESERVES THE RIGHT TO CANCEL ANY COURSE, TO MAKE CHANGES IN FEES OR SUBSTITUTIONS IN FACULTY AND TO CHANGE DAYS OR HOURS WHEN NECESSARY. EVERY EFFORT IS MADE TO PROVIDE NECESSARY, CORRECTED INFORMATION TO THE STUDENTS AS SOON AS POSSIBLE.

#### NON-DISCRIMINATION NOTICE

Suffolk County Community College does not discriminate on the basis of race, color, religion, creed, sex, age, marital status, gender identity or expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, equal pay compensation-sex, national origin, military or veteran status, domestic violence victim status, criminal conviction or disability in its admissions, programs and activities. This applies to all employees, students, applicants or other members of the College community (including, but not limited to, vendors and visitors). Grievance procedures are available to interested persons by contacting either of the Civil Rights Compliance Officers/Coordinators listed below. Retaliation against any person who files a complaint, serves as a witness, or assists or participates in the investigation of a complaint in any manner is strictly prohibited. For more information, see: www.sunysuffolk.edu/nondiscrimination.

The following person has been designated to handle inquiries regarding the College's non-discr	imination policies:

Suffolk County Community College is committed to fostering a diverse community of outstanding faculty, staff, and students, as well as ensuring equal opportunity and non-discrimination in employment, education, access to services, programs, and activities, including career and technical education opportunities.

A copy of the postsecondary career and technical education courses offered by the College is available and may be obtained on our website at: sunysuffolk.edu/exploreacademics/college-catalog or by calling the Office of Admissions at (631) 451-4000 to request a mailing.

#### **COVID -19 Policy**

All students taking in-person classes are now mandated to be vaccinated against COVID-19. If you do not plan to be vaccinated, you must register for classes that are online. You can submit vaccination proof to any Health Services Office or email them at: covid19vaccinecards@sunysuffolk.edu

#### XED801 PREPARATION FOR THE LEVEL I NYS TEACHING ASSISTANT SKILLS (ATAS) EXAM (WITH MANDATED NYSED WORKSHOPS) (savings of \$40)

This course will not only prepare participants for the Level I NYS Assessment of Teaching Assistant Skills (ATAS) Exam, but also for becoming a successful teaching assistant. Students will be provided instruction to brush up on the four areas of the exam: Reading, Writing, Mathematics, and Instructional Support, as well as certification in the three required NYSED workshops in DASA, Identification and Treatment of Child Abuse, and Safe Schools Against Violence in Education (SAVE). The role of the teaching assistant, case studies, effective teaching strategies and navigation of the NYSED-OTI online certification process for teaching assistants will also be included. Books and materials will be provided. This course is 30

nours, including r	NYSED mandated worksh	ops. (10 meetings)

#### XED600 DIGNITY FOR ALL STUDENTS ACT (DASA)

The Dignity for All Students Act (DASA) seeks to ensure that all students attend school in an environment free from discrimination, intimidation, taunting, harassment, and bullying on school property. Under DASA, school professionals (teachers, paraprofessionals, counselors, psychologists and social workers) who apply for state certification after December 31, 2013 must take this six-hour course. This includes personnel who are applying for new certificates, e.g., paraprofessionals going from a Level 1 to a Level 2. (2 meetings)

#### XED112 SAFE SCHOOLS AGAINST VIOLENCE IN EDUCATION TRAINING

All applicants for a teaching certificate on or after February 2, 2001, are required to complete at least two clock hours of coursework or training in school violence prevention and intervention in accordance with Section 3004 of the Education Law. This includes applicants for certificates in administrative and supervisory service, classroom teaching service, and pupil personnel service. Successful completion of this two-hour course meet this requirement. (1 meeting/2 hours)

#### **XED114 IDENTIFICATION AND TREATMENT OF CHILD ABUSE**

This course meets the training requirements of Chapter 544 of the Laws of New York, 1988, for licensure and re-registration effective January 1, 1991. This law mandates that professionals with provisional certificates and those needing to renew licenses must provide documentation of having completed three hours of coursework or training regarding the

identification and i	reporting of child abuse	and mailteatment. (T meeting	g/3 nours)

#### XAH150 INFECTION CONTROL WORKSHOP

This course meets the training requirements of Chapter 786 of the Education Laws of 1992, as amended, which established a new requirement for all dentists, dental hygienists, licensed practical and registered nurses, optometrists, and podiatrists. The law states that these professionals who completed coursework or training in infection control on or before July 1, 1994, must update this information every four years thereafter and attest compliance to the State Education Department with every application. All physicians, physician assistants, and special assistants must attest compliance to the Department of Health. The required documentation will be supplied to all participants. Please bring your license/permit/control or certificate

number to the workshop. (1 meeting/3 hours)

**MEDICAL BILLING SERIES** 

Upon completion of XMB101, XMB102 AND XMB103 students will receive a series completion certificate.

XMB101 INTRODUCTION TO CODING DIAGNOSES FOR BILLING

This skill-based course with minimal theory introduces students to ICD10CM coding using practice exercises. Students are required to purchase ICD-10-CM 2021, The Complete Official Codebook, published by the American Medical Association (ISBN 978-1640160811). This is the first course in a series. Books are mandatory for the first day of class. (3 meetings)

95656	Eastern	Saturday	10/22	10:00am-1:00pm	Montauket Learning Ctr., 107/108					
95657	Ammerman	Saturday	11/12	10:00am-1:00pm	Brookhaven Gym, 2					

#### XSH136 FIVE ANIMAL QIGONG

XAH125 BASIC LIFE SUPPORT (BLS)

Students will learn a system of mind/body exercises that will cultivate a calm mind and heightened awareness, while releasing stress and tension. The set that will be practiced consists of five easy to learn movements that correspond to the characteristics of five animals: snake, turtle, dragon, crane, and tiger. Students will develop internal strength and balance. This practice is suitable for all ages and abilities (5 meeting/ 5 hours)

#### XAH103 BLEEDING CONTROL BASICS COURSE

This course offers students training in basic bleeding control techniques such as direct pressure, wound packing and tourniquet application. Students will learn the history of hemorrhagic control, the science behind hemorrhagic control, treating shock, and current developing trends in medicine. This course is appropriate for both the general public and health care providers. Hands on evaluation will lead to a Certificate of Completion from the American College of Surgeons and the Department of Homeland Security. (1 meeting)

#### XAH128 BLOOD-BORNE PATHOGENS TRAINING

The blood borne pathogens course teaches students how to protect themselves and others from being exposed to blood or blood-containing materials. Students will learn how to act quickly and safely, clean the area that has blood or blood-containing materials, and tell their supervisor about the incident. This course is designed for correctional officers, childcare workers, security guards, maintenance workers, school personnel, hotel housekeepers, health and fitness club staff, tattoo artists, or anyone with a reasonable chance of coming into contact with blood-horne pathogens. (1 meeting)

#### XAH112 ADULT CPR AND AED TRAINING

This course trains students to give CPR and use an Automated External Defibrillator (AED) in a safe, timely, and effective manner. Students will learn how to perform high-quality CPR on an adult, learn the concepts of the Chain of Survival and recognize when someone needs CPR. The course demonstrates how to use an AED on an adult. It is designed for individuals with limited or no medical training who need a course completion card in CPR and AED use to meet job, regulatory, or other requirements. This course is ideal for correctional officers, childcare workers, security guards, maintenance workers, school personnel, hotel housekeepers, and health and fitness club staff. (1 meeting)

#### XAH127 FIRST AID, CPR AND AED TRAINING

This course trains students to provide first aid and CPR, and use an Automated External Defibrillator (AED) in a safe, timely, and effective manner. This course is designed for individuals with little or no medical training who need a course completion card for their job, to meet regulatory requirements, or to be prepared for an emergency in any setting. Students will also learn first aid basics, and gain insight into medical emergencies, injury emergencies; environmental emergencies; opioid- associated, life-threatening emergencies; and preventing illness and injury. (2 meetings)

#### XAH129 PEDIATRIC FIRST AID, CPR AND AED TRAINING

This course trains students on how to respond to and manage illnesses and injuries in a child or infant in the first few minutes after an emergency, until professional help arrives. Students will learn first aid basics, including how to handle medical, injury, poison and environmental emergencies; allergic reactions; breathing problems and dehydration; diabetes and low blood sugar; heat- and cold-related emergencies; drowning; amputations; bites and stings; and broken bones and sprains. This course also covers splinters; nose bleeds; fainting; seizures; and injuries to the head, eyes, neck, spine, mouth and teeth. Students will learn CPR and AED use for choking, CPR and AED use for children and infants, and child and infant choking prevention. This course is designed for anyone involved in childcare who has a duty to respond to illnesses and injuries that may occur in children or infants in the first few minutes after an emergency, until professional help arrives. This course is ideal for childcare workers, teachers, camp counselors, babysitters and nannies. (1 meeting)

#### XSH134 REIKI I PRACTITIONER

Through the ancient art of Usui Reiki, this course offers an understanding of the body, mind, and spirit connection. You will learn this beautiful Japanese technique, which is offered in health care facilities around the world. Focusing on extensive practical experience, the Reiki Master will instruct students in the art of Reiki and how to provide Reiki sessions for themselves and others. Please bring a bottle of water to class. Students must attend all seven classes to receive certification as a Reiki I Practitioner. Course materials will be provided.

#### XFT124 YOGA

#### Tuition \$135.00

Boost concentration, flexibility, strength and your inner peace through Hatha Vinyasa Yoga. During the practice of Hatha Yoga, breath and movement are linked while taking time to hold the pose to receive its full benefit. This fairly active approach to yoga provides a mind/body workout that relaxes and invigorates at the same time. These sessions are suitable for most levels. Participants should bring a water bottle, towel and mat. This course is not designed for individuals who have pre-existing medical conditions that can be made worse by exercise. Prior to the background of the places of these sets and invigorates at the same time.

#### XDT100-XDT200 DRIVER AND TRAFFIC SAFETY EDUCATION

Suffolk County Community College offers high school students a non-credit, state-certified Driver and Traffic Safety Education course. Those who successfully complete the course will receive the MV-285 Student Certificate Completion issued by the Motor Vehicle Department. Those who receive a "MV-285" will be eligible for a rate reduction in their automobile insurance, and a senior license at the age of 17. This course will be offered on the Ammerman Campus in Selden, the Michael J. Grant Campus in Brentwood, and the Eastern Campus in Riverhead. To receive an application, please go to: https://ce.sunysuffolk.edu/course/drivers-education/ or call the Office for Continuing Education at 631-451-4399.

#### Scholarships!

Science, Technology Engineering and Mathematics (STEM) scholarships are now available for full-time students majoring in these disciplines. Please https://www.sunysuffolk.edu/stem/nsf-stem/index.jsp
